Other conditions

- Your account must be open when we pay the cashback. We won't pay cashback after the account is closed, even if you'd already qualified for the cashback.
- If you've received an incentive or benefit for switching to TSB Bank plc using the Current Account Switch Service since 1 October 2022, you're not eligible for this offer.
- You can only benefit from this offer once. We won't pay cashback again if you open a second account, either in your own name or in joint names.
- Only one payment will be made to an account, so if you later make it into a joint account and another party switches in, no cashback will be paid.
- If you have applied for a Spend & Save or Spend & Save Plus and we then withdraw the offer before your account is open, you'll still be eligible for the cashback as long as you meet the eligibility criteria outlined above.
- TSB have the right to withdraw, alter or replace the offer at any time without notice.
